

Just Checking – Background Verification

Congratulation, you are just one step away from your joining.

You already have received verification mail from Just Checking to fill out the forms.

Below are the important points to keep in mind before starting;

1. Only manual signature are accepted (No digital or initials)
2. Witness cannot be a member of immediate family or someone with the same surname.
3. Verification takes minimum 2-3 days to complete and clearance report needs to be submitted before joining.
4. You must provide the contact information of persons with direct access to your compensation history with each company who either employed or contracted you.
Ex: HR or Finance (Payroll department)
5. Indicated at least the two most recent companies where you have worked within the last 7 years.
6. If you were employed by an agency, please put the agency name and information down, NOT the company where you were placed on assignment.
